4:00 P.M.

eternal sunshine
of the spotless

As the cold of winter creeps in, so does the reminder of a difficult breakup. Why suffer through bad memories when you can erase them once and for all? Lacuna Inc. provides that possibility.

6:00 P.M.

the grand
budapest hotel

An adventurous tale of a concierge and his lobby boy as they embark on a journey to recover stolen property. Situated in a European Hotel in the dead of winter, this task proves to be more than difficult.

7:50 P.M.

manchester
by the sea

The winter reminds us of the mistakes we've made and the overwhelming weight of regret. The loss of loved ones and a new responsibility provide an opportunity to move forward.

10:15 P.M.

the shining

A vacation to an isolated hotel in the middle of winter seems like the perfect chance for a nice break from civilization and plenty of quiet time to focus... what more could one family ask for?
